23.0 ENGINEER-IN-CHARGE'S DECISION

It shall be accepted as an inseparable part of the contract that in matters regarding materials, workmanship, removal of improper work, interpretation of the contract drawings and contract specifications, mode of procedure and the carrying out of the work, the decision of the Engineer-in-Charge, which shall be given in writing, shall be final and binding on the contractor.

24.0 OTHER CONTRACTORS

When two or more contractors are engaged on work in the same vicinity, they shall work together in a spirit of cooperation and accommodation. The contractor shall not take any steps or actions that may cause disruptions, discontent or disturbance in the neighboring and project localities. In cause of any difficulties amongst the contractors, the Engineer-in-Charge shall direct the manner in which each contractor shall conduct his work so far as it affects the others.

25.0 OTHER WORKMEN

The Engineer-in-Charge shall have full authority to depute workmen on the work site to execute other works not included in the contract. The contractor shall afford every reasonable facility during working hours, to enable such workmen to carry out the other works provided that such works shall be carried out in such a manner as not to impede the progress of the work included in the contract. The contractor, however, shall not be liable for any damage which may happen to or be occasioned by such other works, provided he complies with the instructions in connection therewith and provided that the damage is not caused by the contractor or his workmen.

26.0 VARIATIONS AND EXTRA ITEM

(A) Variations:

- a) All quantities set out in the bill of quantities are the estimated quantities of the work based on preliminary drawings and they are not to be taken as the actual and correct quantities of the works to be executed by the contractor in fulfillment of his obligations under the contract.
- b) The Engineer-in-Charge shall make any variation of the form, quality or quantity of the works or any part thereof that may, in his opinion, be necessary and for that purpose, or if for any other reason it shall, in his opinion be desirable, he shall have power to order the contractor to do so and the contractor shall do any of the following:
 - (i) Increase or decrease the quantity of any work included in the contract,
 - (ii) Omit any such work,
 - (iii) Change the character or quality or kind of any such work,
 - (iv) change the levels, lines, position and dimensions of any part of the works, and execute additional work of any kind necessary for the completion of the works, change any specified sequences, method or timing of construction of any part of the works and no such variation shall in any way vitiate or invalidate the contract. The quantities given in the tender may vary up to any amount on either side. The contractor shall not claim anything on this account and will carry out the work at his tendered rates.

(B) Extra items:

The extra or additional work done or work omitted by order of the Engineer-in-Charge shall be valued at the rates and prices set out in the contract if, in the opinion of the Engineer-in-Charge, the same shall be applicable. If the contract does not contain any rates or prices applicable to the extra or additional work, then rates will be fixed as per clause-16 of I.D. Form No.-111 annexed with the tender.

27.0 CLAIMS

The contractor shall send to the engineer-in-charge all claims for any additional payment to which the contractor may consider himself entitled within a fortnight of the claim as

enumerated in Form-111 (Conditions of the contract). He shall also give details of all extra or additional work ordered by the engineer-in-charge which he has executed during the preceding month. No final or interim claim for payment for any such work or expense will be considered which has not been included in such particulars. Provided always that the engineer shall be entitled to authorize payment to be made to any such work or expense, notwithstanding the contractor's failure to comply with this condition, if the contractor has, at the earliest practicable opportunity, notified the engineer-in-charge in writing that he intends to make a claim for such work.

28.0 MEASUREMENT AND PAYMENT

- a) The engineer-in-charge shall, except as otherwise stated, ascertain and determine by measurement the value in terms of the contracts of work done in accordance with the contract. He shall, when he requires any part or parts of the works to be measured, give notice to the contractor's authorized agent or representative, who shall forthwith attend or send a qualified agent to assist the engineer-in-charge or the engineer's-in-charge representative in making such measurement, and shall furnish all particulars required by either of them. Should the contractor not attend, or neglect or omit to send such agent, then the measurement made by the engineer-in-charge or approved by him shall be taken to be correct measurement of the work. For the purpose of measuring such permanent work as is to be measured by records and drawings, the engineer's-in-charge representative shall prepare records and drawings month by month of such work and the contractor, as and when called upon to do so in writing, shall, within fourteen days, attend to examine and agree such records and drawings with the Engineer's-in-Charge representative and shall sign the same when so agreed. If the contractor does not so attend to examine and agree such records and drawings, they shall be taken to be correct. If, after examination of such records and drawings, the contractor does not agree the same or does not sign the same as agreed, they shall nevertheless be taken to be correct, unless the contractor shall, within fourteen days of such examination, lodge with the engineer's-in-charge representative, for decision by the engineer-in-charge, notice in writing of the respects in which such records and drawings are claimed by him to be incorrect.
- b) The works shall be measured net, notwithstanding any general or local custom, except where otherwise specifically described or prescribed in the contract.
- c) Payments will be made to the contractor according to availability of funds.
- d) On completion of the entire work, the contractor will submit his final bill. Payment of this bill shall not be considered conclusive evidence as to the sufficiency of any work or materials or correctness of measurements to which it relates, nor shall it relieve the contractor from his liabilities arising from any defects.
- e) All interim payments shall be treated as advance payments. All payments will be made by cheque or method decided by the Irrigation Department, Government of Uttar Pradesh.

In the event of any such damage, loss or injury happening from any of the excepted risks, the contractor shall, if and to the extent required by the Engineer-in-Charge and subject always to the provisions of relevant clause here of repair and make good the same as aforesaid at the cost of the Employer. The contractor shall be liable for any damage to the works occasioned by him in the course of any operations carried out by him for the purpose of completing any outstanding work.

(3) The 'excepted risks' are war, hostilities (whether war be declared or not), invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, or unless solely restricted to employees of the contractor or of his sub-contractors and arising from the conduct of the works, riot, commotion or disorder or use or occupation by the employer of any part of the permanent works, or a cause solely due to the engineer's design of the works, or ionizing radiations or contamination by radioactivity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel, radio-active toxic explosive, or other hazardous properties of explosive, nuclear assembly or nuclear component thereof, pressure waves caused by aircraft or other aerial devices traveling at sonic or supersonic speeds, or any such operation of the forces of nature as an experienced contractor could not foresee, or reasonably make provision for or insure against all of which are herein collectively referred to as the excepted risks.

40.0 EXTENSION OF TIME FOR COMPLETION

Time shall be considered as the essence of the contract. Should the amount of extra or additional work of any kind or any cause of delay referred to in these conditions or any cause of delay referred in earlier clauses here of, or exceptional adverse climatic conditions, or other special circumstances of any kind whatsoever which may occur, other than through a default of the contractor, be such as fairly to entitle the contractor to an extension of time for the completion of works, the Employer shall determine the amount of such extension and

shall notify the contractor accordingly. Provided that the Employer is not bound to take into account any extra of additional work or other special circumstances unless the contractor has **within three days** after such work has been commenced, or such circumstances have arisen, or as soon thereafter as is practicable, submitted to the engineer's-in-charge representative full and detailed particulars of any extension of time to which he may consider himself entitled in order that such submission may be investigated at the time.

41.0 SETTLEMENT OF DISPUTES

If the contractor considers any work demanded of him to be outside the requirements of the contract or considers any drawings, record or ruling of the Engineer-in-Charge on any matter in connection with or arising out of the contract or the carrying out of work to be unacceptable, he shall promptly ask the Engineer-in-Charge in writing, for written instructions or decision. Thereupon the Engineer-in-Charge shall give his written instruction or decision within a period of thirty days of such request. Upon receipt of the written instruction or decision the contractor shall promptly proceed without delay to comply with such instructions or decision. If the Engineer-in-Charge fails to give his instructions or decision in writing within a period of thirty days after being requested, or if the contractor is dissatisfied with the instructions or decision of the Engineer-in-Charge, the contractor may within thirty days after receiving the instructions or decision appeal to the Executive Engineer, who shall afford an opportunity to the contractor to be heard and to offer evidence in support of his appeal. The Executive Engineer shall give a decision within a period of thirty days after the contractor has given the said evidence in support of his appeal. If the contractor is dissatisfied with this decision, the contractor within a period of thirty days from receipt of the decision shall indicate his intention to refer the dispute to Arbitration failing which, the said decision shall be final and conclusive.

42.0 ARBITRATION

All the dispute or differences in respect of which the decision has not been final and conclusive shall be referred to Superintending Engineer for arbitration whose decision shall be final and binding on both the Parties.

43.0 CONTRACT DOCUMENT AND MATTERS TO BE TREATED AS CONFIDENTIAL

All documents, correspondence, decisions and orders concerning to the Contract shall be considered as confidential and / or restricted in nature by the contractor and he shall not divulge or allow access to them by any unauthorized person.

44.0 JOINT VENTURES

If the contractor is a joint venture, all partners of the joint venture shall be jointly and severally liable to the employer for the execution of the entire contract in accordance with its terms.

45.0 SECURITY DEPOSIT FOR PERFORMANCES & SECURITY DEPOSIT

The contractor will deposit for performance full security as per clause No.-1 of I.D. form No.-111 and its amendment or as per latest orders of U.P. Irrigation department at the time of entering into the agreement. The E.M.D. already deposited will be adjusted towards the security amount. The security deposit may be in the form of the F.D.R./N.S.C. pledged in the name of Executive Engineer, Tube Well Construction Division, Faizabad.

46.0 SPECIAL CLAUSE

If there is any discrepancy between the condition of contract and I.D. form No.-111 attached with the tender, the conditions given in I.D. form No.-111 will prevail and will be binding on the contractor.

47.0 INSPECTION OF WORK BY TECHNICAL EXAMINER

The work may be examined by the Technical Examiner or his representatives. If in the opinion of the said examiner or his representatives, the work executed by the contractor is found defective and consequently the penalties are imposed, the penalties so imposed shall be

recovered from the contractor. The decision of the Engineer-in-Charge or his representatives shall be final and binding on the contractor in this respect.

- 48.0** If any person whosoever is found actively associated with Mafia and unsocial elements or engaged in organized crime or is a Mafia or Mafioso is disqualified from bidding.
- 49.0** Even if it comes to knowledge after award of a contract that the contractor is associated with Mafia and unsocial elements or engaged in organized crime or is a Mafia or mafiso, the contract will be cancelled after serving a showcase notice and if the contractor is found repeating the same, then the proceeding of black listing him shall also be initiated.
- 50.0** If it is found that the contractor or the bidder has threatened the other bidders or prevented them from bidding, the tender / contract will be cancelled.
- 51.0** Any advocate registered in state bar council will not be authorized for bidding. If it comes in knowledge that contractor is a state bar council registered advocate, the contract will be cancelled after having been satisfied of this fact.

52.0 **G.S.T.**

The rate quoted by the contractor shall be deemed to be inclusive of The G.S.T if any on the constructional plant, material and supplies (both permanent, temporary and consumables) acquired for the purpose of the contract and on the services performed under the contract. Nothing in the contract shall relieve the contractor from the responsibility to pay any G.S.T that may be in performance of this contract. During pursuance of the contract, the Engineer-in-Charge or any other persons responsible for making the payment to the contractor shall at the time of making such payment to the contractor either in cash or in any other manner, deduct an amount equal to that (as per govt. rule) as in force for the time being towards part or, as the case may be full satisfaction of the tax payable under the said Act on account of this contract.
