

Expression of interest (EOI) -

**FOR DETAILED PERSENTATION OF THE TECHNOLOGY USED FOR DE-SILTING OF
CHITTAURGARH RESERVOIR-**

EOI no -01/2021/SE/DCGonda/Dated- 11-02-2021

**Irrigation & Water Resources Department
Uttar Pradesh**

**Superintending Engineer ,
Drainage Circle, Gonda**

Saryu Pariyojna II, Gonda

EXPRESSION OF INTEREST (EOI) FOR DETAILED PRESENTATION REGARDING THE TECHNOLOGY (DREDGER MACHINE) USED FOR DESILTING OF RESERVOIR

Name of Work- Detailed representation regarding the technology (Dredger Machine) used for de-silting of Reservoir.

1- Introduction - Chittaurgarh Bandh Nirman Khand, Balrampur having 1 medium & 10 small reservoirs in District Balrampur & Shravasti Uttar Pradesh. The Construction of the reservoirs was taken up during 1934 to 1996 (Enc attached).

The original capacity of Chittaurgarh Reservoir & other small Reservoir has been reduced on account of sedimentation. End de-silting of Reservoir is highly essential to regain the lost capacity of the reservoir. Irrigation Department of U.P. wishes to take up the work "de-silting work of Chittaurgarh Reservoir & other small Reservoir Project to restore the dam to its original capacity". The preliminary investigation work for the collection and analysis of samples from the reservoir bed is in process. As the Department is proceeding with the de-silting process of reservoir it has been decided to collect as much as information possible regarding the de-siltation process. The Superintending Engineer, Drainage Circle Gonda is seeking to invite " Expression of interest (EOI)" from reputed financially sound and technically competent bidder for work of "Detailed representation regarding the technology (Dredger Machine) used for de-silting of Reservoir."

The requirement mainly for to make a detail presentation "with specific emphasis on Chittaurgarh Reservoir stated in Balrampur, U.P. " Regarding the technology used for de-silting of Reservoir (Using Dredger Pump Man Power State requirement etc.), Transportation to the processing yard for separation of de-silted sediment in to usable component such as sand and silt clay boulders etc,

2- Eligibility Criteria- The Bidder Shall be a registered firm/Agency who have implemented similar project and who should be technically competent to suggest suitable majors used for de-silting of Reservoir.

3- Proposed De-silting Methodology-

(a) Brief Description- The Entire Process consist of de-silting of sediment accumulated in the Reservoir. Dumping of de-silted material such as sand, silt, clay etc.

De-siltation process in brief including following step-

Step 1- Removal of sediment material from the Reservoir.

Step 2- Transport to dumping area.

4- **Term of Reference** - The broad scope of work including the following-

Making a detail presentation regarding the technology used for de-siltation of reservoir, transportation to separate area, de-silted sediment using suitable sediment in to usable component like sand, silt & clay without effecting the enjoiment.

The Entire operation of de-silting separation of component dumping at yard transportation of component and discharge of water after de-silting shall cause lease impact on the environment & ecology.

5- **Selection Criteria** -

The received EOI will be allowed representation if it meet the above mention criteria date, venue & time shall be intimated via E-Mail.

6- **Important Dates-**

Action	Date & Time
Publishing of notice for Expression of interest	
Last Date of receipt of EOI along with relevant document.	
Opening of EOI's	

7- **Terms & condition of EOI-**

1- Conditional EOI will not be accepted.

2- The Superintending Engineer, Drainage Circle Gonda reserve the right to reject any or all application for expression of interest without assigning any reason.

3- Communication regarding collection will be made via E-Mail.

8- **Contact Persons-** Concerned may contact the following persons over mobile/personally during working hours between to for further information/queries.

(Arun Kumar)

Supertending Engineer
Drainage Circle Gonda
Mo- 9450579646

(Akhilesh Kumar Singh)

Executive Engineer CBNK, Balrampur
Mo- 9455767717

for any information/quires kindly E-Mail-sedrainagecirclegonda@gmail.com,
cbnkblp80@gmail.com

9- Application form interested firm should apply in the duly fill in application form along with detail work experience & cost, in the profarma attached.

10- **Mode of Submission** - Complete filled in EOI, Super subscribing the name of work, along with supporting document form should be submitted by speed post/hand/registered post at the specify date & time in para-6 above to the following address- Superintending Engineer, Drainage Circle Gonda, Saryu Pariyoj-2, Gonda,

Application Form EOI -

To

Arun Kumar
Superintending Engineer
Drainage Circle Gonda

Subject- EXPRESSION OF INTREST (EOI) FOR DETAILED PRESENTATION REGARDING THE TECHNOLOGY (DRAIDGER MACHINE) USED FOR DESILTING OF RESERVOIR.

Dear Sir,

Having examine the details given in the EOI notice and EOI details for above mention work, we hear by submit the relevant information. we hear by satisfied that all statement made & information supplied in the enclosed document is true and correct. We have furnished all information and details necessary for EOI and have no further pertinent information to supply.

We also agree that superintending engineer, drainage circle, Gonda or There authorized representative can approach individual, employer & firm to verify our competent and general repetition.

Work Experience

Summary of the select projects undertaken during the past 5 (Five) years.
